It's On Again - Woolworths Earn and Learn Promotion

Last year we participated in this program and, with your help, we were able to order many thousands of dollars' worth of resources for the school. Woolworths has started the promotion earlier this year so, if that's where you shop, we request that you collect the stickers and send the sticker sheets in to school as they fill up. There is a box in the school foyer for the sheets.

Kikki.K - Trying to Help

Don't forget that Kikki.K at Westfield will be staying open late and donating 20% of takings between 4.30pm and 6.30pm next Wednesday 17th to the Blue Dragon Children's Foundation. The shop sells very classy stationary items and interesting gifts so you can do a bit of early Christmas shopping while helping this great charity. Some of the Tuggerah kids will be there helping out on the evening as well so come along and join in the fun. The shop is on the ground floor not far from the entry point for Target.

A Request

Our staff car park has very limited space and, apart from those using the disabled parking spots, is for staff members only. Exceptions are those who are dropping children off to, and picking children up from Before and After School Care and parents who have been notified that their child is sick or injured and needs to be picked up from school.

If you are one of the above, please enter the car park slowly and be very careful when manoeuvring around it. We have had a couple of close shaves recently and we don't want anyone to get hurt.

School Development Days

This year, for the first time, the state government has gazetted two school development days at the beginning of Term 2. The extra day is in recognition of the extra work that those working in schools need to do to prepare for the implementation of the National Curriculum, beginning next year.

The staff of Tuggerah PS will be spending Tuesday April 30th working on various aspects of the National Curriculum with a particular emphasis on the English and Maths syllabuses.

On Monday 29th, we will be joining our colleagues from the other schools in our learning community to look at a whole range of aspects of Aboriginal Education. The program for this day has been developed in conjunction with the local Aboriginal Education Consultancy Group (AECG) and promises to be very useful and rewarding.

Students return for Term 2 on Wednesday, May 1st.

CANTEEN

Well it’s been another busy term. Thanks to all the families that have used the canteen and much appreciation to all the mums, dads and grandmothers who have helped out. Next term our online ordering will start with Flexi schools. Please check out their website to see how it all works.

Have a safe break, Mel
